For the first time in 56 years **SHARE, Inc.**

will not ask you to
get out your cowboy boots and hats.
In response to the weakened economy, we want you
to just sit back, relax, and support our programs whose
very survival depends on funding from SHARE.

Your contributions will fund:

- Ahead with Horses
- SHARE's Cedars Sinai Child Disability Center.
- The Center For the Partially Sighted
- The DreamMakers Project
- ECF Kayne-Eras Center
- Friends of CASA, Los Angeles
- I Have A Dream Foundation®
- Infinite Dreams
- Hathaway-Sycamores Child and Family Services
- Stuart House
- Team Prime Time
- Sophia T. Salvin Special Education Center

Please give generously. We are so grateful for your
dedication and thank you from the
bottom of our hearts.

See you next year bigger
and better than ever!
