The holidays can be heart breaking for families with children in our community with special needs, or are victims of violence or abuse and at risk. Many of these families struggle to get their children the care and enrichment they need every day. They have nothing left over to make the children's holiday dreams come true. With the Holidays approaching, it is the perfect time to reach out and lift the spirits of these children and make a difference.

SHARE, Inc. has been there for these children through its 64th year history of funding charities making a difference in their lives. We are a **100% volunteer** organization with no paid staff, so every dollar raised goes to benefit these children. We have contributed over \$65 million enhancing the lives of these special needs children.

We are proud to continue our **Holiday Wish List** program, now in its **sixth** holiday season. Your financial contributions to this **SHARE, Inc.** campaign will go to the purchase of new toys, storybooks, clothing, sporting good and games, musical equipment and funds for the things that make kids' eyes light up with joy and delight.

None of this would be possible without your help. To become a sponsor and make a child's dream come true or to make a donation, please contact us at info@share4children.org or call [310-274-5361](tel:310-274-5361). We appreciate your thoughtfulness and consideration in contributing and being part of our **Holiday Wish List Campaign**.

With our sincere gratitude,

Corinna Tsopei Fields
